Membership News

Dear Members,
We are thrilled to now be working out of our new Golf Pro Shop. It's a beautiful space, and we have to say that we are loving our new *Full Swing* simulator as well! The Simulator will be available to members for use at no additional cost (guest fee required for guests). Appointments will have a priority over walk-ins so please note that you may call the Golf Shop to reserve a slot for use.

Thanks to Chef Robert for creating a special five course "Chef's Dinner" for members in January. Participation was phenomenal for the event sell out. Visit our club Instagram or Facebook for more pictures of the evening. We are pleased to announce that we will be reintroducing Wednesday Night Buffets for dinner beginning in February. Alternative options will be available through a special limited menu on these evenings for in-house dining or takeout. Please look for our club email on Tuesdays with menu details. We will also be hosting our annual Superbowl gathering on Sunday, February 12th. We will have a game day buffet available beginning at 5:30pm before kickoff. The menu is in this issue of the newsletter.

Our "Pretty in Pink" Women's Member Guest is quickly approaching! Chairs, Laurie Sullivan and Sally Fodor have been working tirelessly to produce a celebratory and competitive event. Monday night's "Flamingle" will be a crowd pleaser for cocktail hour and the "All Things Pink" themed luncheon should be a great time for all of our golfers. I hope you are planning your outfits for a big splash. That's one of the best parts!

Just a note that we are still working through our wait list to bring in new golf members as space becomes available. This is a great time to apply without lengthy wait times. We do have openings for new social and tennis members without any wait time so please encourage any interested friends or neighbors to reach out if they are in search of a club home.

Sincerely,
Ashley Grimaldi
Membership Director

A SUMMARY OF THE 97TH NEW YEARS INVITATIONAL

By Richard Hope

This year we have a new champion of The New Year's Invitational, C J Easley, a senior at the University of Mississippi, whose 8-under par 208 total gave him a wire-to -wire victory.

The tournament began Thursday, January 5th, under overcast skies which soon opened up and eliminated play that day. The tournament would be reduced to 54 holes. The next three days provided brilliant sunshine but cool breezes making the course a bit more challenging. C J Easley led the first round with 67, highlighted by an 18th hole eagle. On Saturday, he drove far right on number one, leading to a double bogey start, but recovered strongly, finishing with a second eagle on 18 for a 69 and a 136 total. University of Nebraska senior Jeremy Sisson and University of North Florida sophomore Cooper Smith followed at 138.

CJ started quickly Sunday with birdies on 2 and 5, but erratic driving the rest of the day required recovery shots around and under trees on several occasions. Still, his fellow competitors were unable to sustain charges, several players making runs then falling back with bogeys or worse. In the end, CJ's final round of even par 72 was sufficient to preserve his advantage and his 54-hole total of 208 won by 2 shots over five players, Cooper Smith, Ty Gingerich of the University of Cincinnati, Max Johnson of

97TH NYI WINNERS

- **CHAMPION - C.J. EASLEY (OLE MISS)**
- **MID AM CHAMPION - TROY VANNUCI**
- **SENIOR CHAMPION - MICHAEL KELLEY**

Champion C.J. Easley

Auburn University, Kent State's Bryce Reed, who closed with 67, and Troy Vanucci, a New Jersey native. That 210 total won the Mid-Amateur title for Troy Vanucci for the second time, as he finished 3 shots in front of Winter Haven's Mark Dull and the 2022 Mid-Amateur winner Canadian David Lang.

The Senior Division ended Saturday, shortened to 2 rounds by Thursday's rain, with Michael Kelley, last year's senior runnerup, prevailing on the strength of a closing 67 after being tied the first day at 72 with defending champ Mike Barkley and Rob Cowan. Rob finished second this year, Mike third.

Our new head professional Anthony Swinford and his staff did a fine job conducting the tournament. Our greens crew worked quickly to get the course in good playing shape for Friday's and subsequent rounds, pumping and ranking bunkers, rolling greens and all other duties required. The clubhouse staff provided thorough and friendly service to all. The FSGA officials did their usual professional job with rulings as needed and keeping play moving.

Particular thanks to tournament sponsors, Servis 1st Bank, through member Tony Wagner, Next Home South Pointe, through member Kent Rodahaver, and Visit St Pete/Clearwater Events. Anthea Penrose did a great job getting publicity for the tournament and golfer, Roxy Riles took really splendid photos daily of the event which helped support the club's social media coverage of the tournament. Thanks to our website developer Jason Hutty for facilitating the tournament entry and reporting process and to tournament co-chairman Bobby Eggimann who, along with numerous other duties, organized the divot-filling brigade following each round of the tournament.

One last thing, January 8th was a big day for 2017 and 2018 New Year's champ Hayden Buckley who came very close to winning the Sony Open in Hawaii. It was his third top ten finish just this season. He is establishing himself as a player to be reckoned with.

Hope those of you who came out to watch, and there was a nice crowd on Sunday, enjoyed the event. Let's hope we get all 4 days next year and have another well-contested event we can be proud of.

GOLF NEWS

Dear Members,

We are very pleased with the success of our 97th NYI during the month of January. Due to the rainout of Thursday of the New Year's Invitational the Senior Division was shortened to 36 holes and the Championship Division was shortened to 54 holes. Congratulations to Mike Kelley who won the Senior division of the New Year's Invitational with 72-67 for a score of 139.

C.J. Easley Ole Miss won the 97th New Year's Invitational with 67-69-72 for a score of 208. Runner-Up is Ty Gingerich of University of Cincinnati 70-71-69 for a score of 210 and the Mid-Am Champion is Troy Vannucci 71-68-71 for a score of 210. Thanks to everyone for their support of the 97-year tradition of the New Year's Invitational! Club management and the staff put their best foot forward in keeping the tradition going as the NYI is the longest continuous Amateur in the Southeast. Chairman, Richard Hope and Co-Chair Bobby Eggimann are the best ever to work with to put on this great event. Also, a big shout out to Jason Hutty who runs are NYI website and Anthea Penrose for her assistance with publicity. Thanks to Chad Seufert for providing the signage and roving leader boards and to Roxy Riles for photography which supported the tournament's social media coverage. Thank you to Scott MacEwen and his crew for a great job each day! They did an amazing job after the amount of rain we received on Thursday. Nice work! And of course, Joe Brooks for running daily food and beverage operations throughout the week. Last but not least, thanks to all the members who came out each day and filled divots after play. Your support means so much!

Congratulations to Randa Paver, Ray Archer, and Tyler Carpenter for your recent Hole- in-Ones. This recent stroke of great play has created a lot of interest in our club's "Hole in One Club." Members who sign up to participate are only charged when someone makes a Hole-in-One. This is not a monthly charge to your accounts. Members who participate should always be aware that if you get word of a golfer making an ace when you are at the club, your name will be on a list of players at the bar that will receive a complimentary drink. There is a list of participants and drinks are not open to the entire membership. If you are the lucky golfer who makes the hole in one, please confirm with the golf pro shop that you have the insurance. If you are registered, this will cover the tab at the bar on the day of your win. You will receive whatever is leftover in the pot to use towards merchandise in the golf pro shop. Ask a member of the golf pro shop staff how to sign up. For further information, please contact me at Aswinford@stpetecountryclub.com.

Our Member-Member 2-Person Scramble Tournament on January 21st had 120 participants. Thanks for all that came out for the event. It was great participation. Congratulations to Dan Hartpence & Dan Finlayson for winning Overall Gross and Simon Cooper & Jeff Griffith for winning Overall Net. Our Gross Flight winning teams included Abe Patwari & Ray Archer, Mike George & Norm Hotte, David O'Neil & Paul Shriber, and Innes Irwin with Jim Defoe. Our Net Flight winners were Tyler Carpenter with Dave Whittington, Sean McCarthy & Brandon Smith, David McElwee& Michael Schulte, and last but not least Glenn Bevil with Brian Berger.

THE CLUBBER MONTHLY SPOTLIGHT

SPCC Maintenance Director, David Thomas

In this month's Clubber, we are featuring our hard working Maintenance Director, Mr. David Thomas. Our staff lovingly refers to him as "Super Dave" because of his ability to fix any issue that arises on a daily basis on the property. He "puts out fires" and works diligently to make sure all of our members are comfortable and their needs are satisfied. We wanted to spend a few minutes to introduce a little more about his background.

Can you tell us where you are from and a little bit about your background? I'm originally from a little town outside of Philadelphia called Roslyn, Pennsylvania. I started my career working in maintenace in New York City at The Parker Meridian in 1996 while working and pursing a career in theater. I stayed in the city for approximately 10 more years before moving to Florida. I worked at several clubs throughout the years including Pasadena, Crescent Oaks, Wentworth, and Pebble Creek. It has always been a comfortable environment for me because I have a passion for golf. I love to watch golf and play golf whenever there is an opportunity.

The Superbowl is coming up in a few weeks, does that mean we have an Eagles Fan among us? I've honestly never been an Eagles Fan. I'm more of a Cowboys guy, but I'll always choose golf over football any day *<laughs>*.

Maintenance of such a huge property is hard work. What are your specialities? I would say electric, plumbing, painting, and carpentry.

What projects are you working on now? I will be finishing the lobby renovation and assisting with work in the newly vacated card room space now that we have moved into the new Golf Pro Shop. We are excited about enhancing the look and feel of this shared space.

Dream Foursome on a golf day? My brother, Justin Thomas, Tiger Woods, and myself.

ON THE GREEN

with Golf Superintendent, Scott MacEwen

Thank You

I want to share a short story with you. As you know we lost one of our maintenance team family in December. Patrick Moore, a 17 year employee, passed away from complications of heart failure. Pat mowed our fairways and roughs as a routine and was someone whom I hit it off with from day 1. He knew what to do and how to do it. He understood the goals I was trying to implement for improving the golf course. Pat had a deep belly laugh that was contagious amongst our crew. During a time of economic struggles the management of the club thought it to be wise to notify the membership of his passing and encourage donations to help his family with expenses. An outpouring of generosity on your part and the club's additions we were able to give his family a nice sum of money to cover their costs. I was able to take a check to his mother and explained the origins of the donations and I can tell you that she was more than surprised and overcome with tears. It certainly meant a lot to her and she requested that I pass on the message of appreciation. She said "if any of these people ever need help with anything to let her know and she will come help them".So, in short, on behalf of his family and the golf course maintenance staff, thanks for the generosity and thoughts.

Sincerely,
Scott MacEwen and Staff

TENNIS TALKS

Dear Members,

We're excited to start the month! Tennis is continuing to receive several new upgrades in the coming months. This includes new fencing and enhancements to the tennis pro shop. Stay tuned for more information. We appreciate everyone's help as we continue to encourage clinic sign up the day ahead of your desired class time. This helps to better serve our members and schedule the necessary number of professionals for class. Links are emailed to members so please reach out to us if you do not get regular updates. Members should respond with their name, member number, and requested clinic date and time. We will also be announcing our Summer Tennis dates and times for Juniors next month. We are thrilled to offer these classes to our youngest members, and we hope you will be able to participate.

If you are a new tennis member or do not attend regular tennis clinics, we encourage you to reach out to the tennis pro shop for an evaluation. This is a complimentary service to our membership and will help guide you to the proper clinic so you're experience is more enjoyable.This also helps us direct you to other players for social tennis in your playing level. As a reminder, please call the pro shop to make reservations for your match play. We take reservations up to two days in advance.

Thanks for your support,

Fred Covey, World Champion of Tennis 1912

DID YOU KNOW?

Did you know that 25 Year SPCC Members Neil and June Covey, have a famous connection to a tennis legend? Neil's grandfather was a World Champion from 1912 to 1928. Here is a little more about his background in Neil's words:

Geoffrey Covey, always called Fred, left school at 15 1/2 to be a ball boy and odd job lad at a Real Tennis Court close by in London. He had the opportunity therefore to hit around at rackets and just had a natural aptitude so taking up Real Tennis, (Court Tennis in the US) he became a top class player by the age of 21. Real Tennis from its zenith in the 16th century when there were a proliferation of courts had reduced by Victorian times to being a province of the upper classes and aristocracy. In 1907 when Fred was 25 he was taken on as a professional to Lady Wentworth at her country house in Sussex. Under his tutelage Lady Wentworth became by far the best lady player and could beat many top male players and her husband won the Amateur World Championship several times and Fred became World champion in 1912.
